Subject: Review draft document for Exide Advisory Group?
DTSC - Exide - DRAFT Outreach and Community Engagement Strategy - October 28 2015 v9.docx

Hi Deldi,

I hope all is well with you! Based on last week's Exide meetings, we'd like to share a draft Outreach and Engagement Plan with the AG members this week, as early as today.

Do you have a few minutes to review the attached document this morning? CalEPA had a question about the coordination group under goal 3, Action 1, and I'm hoping to invite you to be part of this group, or hear any recommendations about it.

Best,

Ana
